Web Announcement 2351

**Attention All Nevada Medicaid Providers:**

**Please Participate in Dental Benefits Survey by November 24, 2020**

The Nevada Division of Health Care Financing and Policy (DHCFP) invites all provider types to participate in an 11-question survey that will assist the DHCFP in drafting contract language as they prepare for the requirements for the next Dental Benefits Administrator (currently Liberty Dental Plan).

The DHCFP wants all providers to know that your service is critical to the health and safety of our state. Your honest perspective and valuable feedback on your experience as a Medicaid provider are needed to build a dental plan that better serves your practice and your patients.

Please follow this link to complete the survey by **November 24, 2020**:
